Large Turkey Heavy Finish (LTHF) For Adult Turkeys

Large Turkey Heavy Finish - LTHF (2205842)

PLASSON LTHF supplies the required water quantity at the right flow rate for adult turkeys weighing up to 23 kg (50 lbs). The drinker is designed to initiate water supply by the slightest touch from 360°.

With PLASSON'S LTHF you can ensure:

- A constant supply of fresh water
- A uniform and heavy weight flock
- Lower mortality
- Exceptionally dry litter
- Healthier birds
- Clean cups through natural drinking (No need for cup cleaning)
- More water and less spillage due to enlarged cup
- Installation in sloped houses due to high pressure in lines

General Guidelines

- Ideal for adult turkey hens and toms
 - 25 - 30 Turkey Hens per LTHF
 - 20 - 30 Turkey Toms per LTHF
- Recommended nipple for LTHF installation - PLASSON Orange Nipple
