

EVENGROW
RADIANT AGRICULTURAL HEATER

A FULL RANGE OF INFRARED HEATING EQUIPMENT FOR AGRICULTURAL APPLICATIONS

The SRP EVENGROW® line of infrared heaters offer the best premium features available in the industry for optimum production and maximum return on investment.

Patented SRP EVENGROW®

Model ALTX technology eliminates the "hot spot" without compromising efficiency.

- Improved growth rates and increased water consumption
- No hot spot for maximum animal comfort and less crowding

SRP BIG SHOT®

Provides maximum radiant coverage to the litter in poultry houses supporting bird performance especially in the first crucial days of placement.

- 16° tilted reflectors for improved heat distribution in wider houses
- Lowest convective heat loss with SRP's 100% efficient reflector
- Heat-treated aluminized steel tubing for Superior Radiant output

AUX Single & ATX Two Stage

Premium high efficiency features for the agricultural industry with special anti-corrosion construction for harsh environments.

- Waterproof housing for best reliability
- Potted ignition modules
- Sealed maintenance-free blower motor

SRP FLAPPER

HINGED VENT TERMINAL

The "Flapper" prevents cold air from entering the emitter tube when heater is not operating, and directs warm exhaust air towards the floor of the barn during operation.

SRP Brooder

A smart heating solution for diverse applications.

- High and low pressure supply models
- Factory pre-assembled components for quick installation
- DSI integral dual fuel regulator to easily convert between gas types
- Stainless steel easy to clean burner. No filter required

SRP Forced Air Heater

Provides years of heavy-duty performance.

- Electronic two-stage
- NG or LP both solutions with only one gas valve
- Flexible interior and exterior installations options

EVENGROW
RADIANT AGRICULTURAL HEATER

A FULL RANGE OF INFRARED HEATING EQUIPMENT FOR AGRICULTURAL APPLICATIONS

All models are CSA approved.

SRP EVENGROW® MODEL	BTU RANGE	LENGTHS
ALT X (No Hot Spot, Two Stage)	60,000 to 100,000	30-50 ft
AUX (Single Stage)	60,000 to 175,000	20-60 ft
ATX (Two Stage)	40,000 to 125,000	10-50 ft
SRP BIG SHOT® (Wider Houses)	60,000 – 80,000	20 ft
SRP BROODER (High & Low Pressure Supply)	40,000	Reflector 35"
SRP FORCED AIR HEATER (Two Stage)	250,000/160,000	30.75" L x 18.25" W x 28.25" H
