

Stainless Steel Tunnel Shutters

Tunnel Shutters are the optimal solution for allowing smooth laminar airflow into the house, aiding with ventilation while simultaneously preventing air leakage and adding insulation for significant energy savings in winter.

Features:

- Designed for corrosive atmosphere of hog houses
- Replace hog house curtains with 304 stainless steel Tunnel Shutters
- R-9 insulation for lower heating costs
- Rack & pinion drive eliminates stretching, breaking cables
- No rodent damaged curtains
- 4, 5 & 6 ft. heights to match existing openings
- Lubricated for life DuraDrive replaces maintenance intensive screw-jack actuators
